MEMORANDUM FOR THE RECORD

SUBJECT: Response to

25X1

In view of the sensitivity of this proposed response, I informed Mr. McGeorge Bundy this date that there would be no distribution of any kind except directly to him, and that any queries we received for copies would be referred to Mr. Bundy. This of course excludes the offices of AEC and DOD which provided the basic information. Mr. Bundy concurred with enthusiasm and alacrity.

Marshall S. Carter
